

KCC schedules a workshop series to discuss Evergy's plan

TOPEKA — The Kansas Corporation Commission has scheduled a series of virtual workshops to learn more about Evergy's Sustainability Transformation Plan (STP) and how it will affect electric ratepay-

ers. Each workshop will cover a specific set of topics related to the plan. Evergy representatives will make a presentation at each workshop followed by questions from Commissioners and

intervenors in the general investigation docket. The Commission opened the investigation to evaluate whether the STP is in the public interest. The public is invited to view the meetings, which will be

broadcast on the Commission's YouTube Channel (<https://www.youtube.com/channel/UC-uTcucl0oyHJr-1oHeuuw/> featured). They will also be available on the site for later viewing. The workshops schedule is

as follows:
Dec. 21, 10 a.m. - Operational Efficiencies
Jan. 21, 10 a.m. - Enhanced Customer Experience
May 5, 10 a.m. Evergy update presentation on STP after incorporation of feedback

The general investigation docket is available for viewing on the KCC's website at: <https://estar.kcc.ks.gov/estar/portal/kcc/PSC/DocketDetails.aspx?DocketId=5bf302bc-3a8c-4bd9-8652-fd3e63161bc5>.

While this year has been like no other, the appreciation we have for our customers remains unchanged. The CSB family extends the warmest holiday wishes to each of our customers in all the communities we serve.

The Meadows

■ A Division of Coffey Health System

Tired of household chores and expenses, but not ready to give up your independence? Retirement living at The Meadows might be just what you're looking for – and less expensive than you expect. Your monthly fee is based **only** on the services you need.

One- and two-bedroom apartments feature all the comforts of home, including a reserved parking spot nearby. Come and go as you please, enjoy restaurant-style dining, and participate in activities, if you'd like.

In these troubling times, take comfort that infection control measures at The Meadows recently earned a deficiency-free state survey.
